The Mooch gets flirty with mystery brunette

Anthony Scaramucci

Anthony Scaramucci isn't letting his ongoing divorce cramp his style.

The Mooch was getting cozy with a stunning mystery brunette at **Tender in the Sanctuary Hotel** near Times Square this past weekend.

"They were flirting for more than an hour over sushi rolls and vodka-cranberry cocktails," said a source.

The waitress was thrilled because the former White House communications director left a tip for double the price of the bill on his credit card.

Scaramucci will also be the speaker on Oct. 10 at a Police Athletic League luncheon on the 35th floor of a Park Avenue office tower.
